Dear Sir,

**RE: LETTER OF APPRECIATION**

Earlier in May this year the Sunrise Africa Relief, through you made a donation of K1, 000.00 to the Red Lions Football Academy for the purpose of establishing a football playing field. It is in view of this that we write to express our gratitude for this invaluable support towards the development of young people in our community.

Further to, we wish to ask for more assistance from you to enable us dress our young people in their different sports disciplines and also to equip them accordingly. But for the moment football is the most active one.

We further hope this letter meets your favourable consideration.

Yours faithfully,

**J. KASEMPA (MR)**  
**ACADEMY CHAIRMAN**
